AVOIR SHEERS

WIDER WIDTH SHEERS

— MARKETING BRIEF —

AVOIR SHEERS

Introducing Avoir Sheers, the must-have window solution for those who want an elegant and smart look. Perfect for homes, offices, and businesses alike, these woven textured sheers bring a charming and fashionable flare to any room. The sheer fabric drapes beautifully on any window; its matt look adds sophistication and subtle texture, with an impressive soft hand feel that ensures good quality every time. Choose from wide range of fashionable colors to match your decor while infusing any area with character and style. Even in natural light, Avoir sheers provide a pleasant diffused look without blocking sunshine. The wider width sheers give a soft natural look to bring out the best features of every space.

Opt for Avoir Sheers for an environment filled with charm and grace!

CORSO

(11 Colourways)

Corso Sheers are the epitome of luxury. These beautiful sheer curtains offer a rich, sophisticated look and feel to any room in your home or hotel. The unique contrasting texture provides added depth for an especially luxurious look, and the range of colors is sure to meet any of your decorating needs! In addition to their stunning appearance, these curtains provide excellent color fastness, meaning they retain their vibrancy over time without fading. With Corso Sheers, you won't have to worry about them getting dull or dated. The subtle texture gives a certain elegance as this curtain drapes gracefully at any window. And don't forget they make ideal choices for either residential or hotel projects! Add a touch of style and beauty to your space with Corso Sheers! Try them in your home or business today for an enhanced living experience like no other.

GAMMA

(12 Colourways)

Are you looking for beautiful, light and airy window sheers that will add a touch of sophistication to any room? Look no further than GAMMA SHEERS! These matt sheers have muted tones, which will provide a subtle hint of colour to your living or bedroom area that won't overpower the other decorative features. Plus, they are incredibly lightweight while still being durable and protective. With GAMMA SHEERS, you can enjoy natural sunlight filtering through the sheer fabric while knowing your furniture and décor is shielded from harsh UV rays. And there's no need to worry about excessive heat transfer; these high-quality window treatments keep interiors cool during the summer months. But when winter comes around, you won't have to worry about losing valuable warmth either; GAMMA SHEERS provide insulation qualities that help maintain comfortable temperatures indoors. These one-of-a-kind matt sheers are great for adding character to space without taking away from any existing design elements in the area. Whether you're looking for an elegant complement to modern décor or something timeless that can represent all types of styles, GAMMA SHEERS has what you need! Try them today and enjoy added privacy and exquisite interior design with this single window treatment!

MEESA

(12 Colourways)

MEESA SHEERS offer you a rich and elegant touch to your vintage-inspired interior. This jute-look fabric has spaced out woven yarns that deliver a sophisticated, neutral, and fashionable tone. Just imagine being able to appreciate the natural beauty of your environment with minimal light occlusion! With our beautiful selection of neutrals, warm tones, and attitude-filled pigments that burst with life, you can easily make every room come alive. On top of esthetics, MEESA SHEERS also boast great performance in order to make sure you get the utmost satisfaction from this product. You don't have to worry about sunlight streaming in through your windows; a good amount can pass through the sheers for a soft diffusive lighting perfect for your space. Maintenance is easy too – MEESA SHEERS have great color fastness which means they will retain their dazzling hue no matter what! At MEESA SHEERS we believe that luxury isn't an extravagance; it's an experience all can enjoy! Come explore how to power up your interior with our range of high quality and durable sheers today.
